

Badge Machine Hire Terms

- All hires are for a 5 day hire period, unless otherwise agreed.
- Credit card details must be left as a holding deposit – a minimum charge of \$200 will be charged to this card if any of the below occur:
 - Damage to the machine or cutter
 - Jamming of the machine due to misuse.
 - Glitter is used in the machine.
- A charge of up to \$470.00 (replacement cost) will be made to the credit card details provided as security deposit if any of the following occur:
 - Machine or Cutter are damaged or jammed beyond repair.
 - Machine or Cutter and Mat are lost or not returned.
 - Tampering with the machine in any way (loosening/tightening bolts etc) will result in full charge occurring.
- **Late returns will incur a \$25 per day** additional fee that will be charged to the credit card that is supplied as a holding deposit.
- Strictly NO glitter or glue is to be used in badges made on the machines.
- Paper for artwork must be a maximum of 100gsm (normal printer paper is 80gsm as a guide). Paper thicker than this can result in jamming. If unsure please ask before attempting to use it in the machine.
- Machine and cutter are to be packaged and returned in the correct box complete with the instruction sheets.
- There is no refund on unused components.
