

GO! Bloom Table Runner

Finished Size 18½" x 45½"

Fabrics are Soho Solids
provided by Timeless Treasures

Extra Orange Peel patches add dimension to this table runner made with GO! Orange Peel-4½" (55455) and GO! Square-5" (4½" Finished) (55010).

To make, appliqué 20 green and 16 red orange peel shapes onto mixed white and off white squares. Create a background from the appliquéed blocks, placing 4 plain white/off white squares in the corners. Make each dimensional petal by placing two orange peel patches right side together, and stitching around the outer edges, leaving a 1½" opening for turning. Turn right side out, stitch the opening closed, and sew the petal in place on the runner, sewing a short seam through the center of the petal.

Options:

- Echo the appliquéed background by fusing the dimensional petals together instead of turning, then stitch edges.
- Add extra dimension by adding batting to turned petals.
- Quilt turned and stuffed petals before stitching them to the background.

GO!® Dies Used, Number of Shapes to Cut & Fabric Requirements

Note: *Apply fusible web to the wrong side of asterisked fabrics following manufacturer's instructions before cutting appliqué shapes.

Fabric Color	Shape	GO! Dies Used	Number of Shapes to Cut	Fabric Required
Soho Solids Milk and White		GO! Square-5" (4½" Finished) (55010)	From each 3/8 yard, cut one 10½" x WOF strip. Fan-fold each strip at 5½" and cut 12 squares from each strip.	3/8 yard of each color
Soho Solids White		GO! Square-5" (4½" Finished) (55010)	Cut one 10½" x WOF strip. Fan-fold the strip at 5½" and cut 12 squares. Cut four additional squares from remaining yardage.	1/2 yard
*Soho Solids Lime, Spring and Avocado		GO! Orange Peel-4½" (55455)	From each ¼ yard, cut one 5" x WOF strip. Sub-cut each strip into 5" x 5" squares. Cut a total of 20 Orange Peel shapes. TIP: Use the GO! Square-5" (4½" Finished) (55010) to cut your 5" squares	1/4 yard of each color
*Soho Solids Wine, Scarlet and Red		GO! Orange Peel-4½" (55455)	From each ¼ yard, cut one 5" x WOF strip. Sub-cut each strip into 5" x 5" squares. Cut a total of 16 Orange Peel shapes. TIP: Use the GO! Square-5" (4½" Finished) (55010) to cut your 5" squares	1/4 yard of each color
*Soho Solids Red, Orange, Coral, Hibiscus and Caliente		GO! Orange Peel-4½" (55455)	From each ¼ yard, cut one 5" x WOF strip. Sub-cut each strip into 5" x 5" squares. Cut a total of 32 Orange Peel shapes. TIP: Use the GO! Square-5" (4½" Finished) (55010) to cut your 5" squares	1/4 yard of each color

Additional Fabrics Needed

- Binding and Backing—1 3/8 yard
 - Use GO! Strip Cutter-2 1/4" (1 3/4" Finished) (55053) for binding.
 - Cut 3—2 1/4" x LOF strips for binding.
 - Use remaining yardage for backing.
- Batting—24" x 51"
- Fusible Web—3 yards (based on 17" width)

Sewing Directions

Note: Press all seams open and use a 1/4" seam allowance unless otherwise indicated.

1. Place each fusible-backed orange peel shape diagonally on one milk, cream, or white square, with each orange peel point 1/4" from the square's corners. Fuse the orange peel shapes in place according to manufacturer's instructions. Make 20 lime, spring or avocado leaf blocks, and 16 wine, scarlet, or cherry petal blocks.
2. Straight or decorative stitch around the edges of each orange peel shape, securing the fused shapes to the block.
3. Referring to the Bloom Assembly Diagram, arrange the four remaining milk, cream, or white squares and the fused leaf and petal blocks into ten rows of four blocks each.
4. Sew the blocks in each row together along adjacent edges.
5. Sew the rows together, matching seams.
6. To make the dimensional petals, place two of the red, orange, punch, coral or hibiscus orange peel shapes right sides together, matching outer edges. Using a 1/4" seam allowance, stitch around the outer edge of the petal, leaving a 2" opening on one edge for turning as shown in Diagram 1.

Bloom Assembly Diagram

Add a layer of batting for more dimensional petals.

Leave a 2" opening for turning.

Diagram 1

Note: For more dimensional petals, place a layer of batting beneath petals before sewing around the outer edge. Trim excess batting very close to stitching before turning.

7. Trim the seam allowance at each petal point, then turn the petal right side out. Smooth the curved seams and points. Press, tucking the seam allowances inside at the opening. Topstitch around the petal perimeter, close to

the outer edge, or hand stitch the opening closed. Add extra stitching to the petals, if desired. Make 16 dimensional petals.

Quilting & Finishing

1. Layer the batting between the table runner top and backing, with the wrong sides facing the batting. Pin or baste the layers together.
2. Quilt as desired. Trim excess batting and backing even with the quilt top.
3. Sew the binding strips together along the short ends, using either straight or diagonal seams. Press the strip in half lengthwise, with wrong sides together. Stitch the binding to the quilt front, matching raw edges and mitering corners. Fold the binding to the quilt back, encasing the raw edges. Handstitch the binding to the quilt back.
4. Position the dimensional petals on the table runner, aligning the points of the dimensional petals with the seams between the runner's petal blocks, as shown in Diagram 2. Hand or machine stitch one end of each dimensional petal to the runner to secure the petals in place.
